Press Release 3rd April 2005

Rotarians Ophthalmoscope Initiative (ROI)

Rotary International clears the way for the Initiative to proceed

Following discussion with the Brands and Club Support Departments in Evanston (see RIBI Rotary Magazine STOP PRESS - April 2006 pg 9) Stevenage Grange is now cleared to continue marketing the Initiative to help **Save Sight for Millions**.

A range of information and presentation materials has been made available on the Initiative and world blindness, for Club's use. This includes a ten minute slide & film PowerPoint Show, narrated by Sir John Major [former Prime Minister and VISION 2020: THE RIGHT TO SIGHT Ambassador], & the international author Ken Follett. The presentation will get its first public viewing at the District 1260 Conference this coming weekend.

Details of material available, including guidance on how to download and run the zipped PowerPoint presentations can be obtained from the Grange's web site www.sgrc.org.uk

The direct link to the ROI Information download page is www.sypula.com/Rotarywebsite/page14.html

An introduction to the ROI, narrated by Ken Follett can be heard by clicking on this icon  on the download page.
