

rotarians & friends making blindness history - ROI analysis of donor clubs by district

june 2009

Rotarians in Europe have now provided 1,353 Optyse™ units to screen many tens of thousands of people in 45 less developed countries. They have also funded operations to save the sight of some 2,750 people with a donation of just £4 (\$6)

In 3 years, combined Club & personal donations supported by others have raised over £130k (\$200k) to help *Make Blindness History*. Thanks to all ... please continue your support annually.

[Back to ROI Home page](#)

Matching grants make your donation work harder to help *make blindness history* for many – see [RIBI website](#) the electronic copy of [Rotary Today](#) or see our [Novices Guide to \[completing\] TRF matching grant projects](#)

For each £1 you donate RI (TRF) adds 50p. It is so simple ... just let us know that you would like your donation to be used towards a qualifying eye-care matching grant when you make your donation and we will do the rest, including matching your Club with a hosting Club.

ROI is an eligible candidate for RI matching grant applications. ROI encourages Clubs and Districts to optimise their donations through the use of RI TRF matching grants to facilitate cataract operations, equipment purchase and other eye-care treatments less developed countries.

Clubs may wish to enlist the support of their District Foundation Committees to attract District Designated Fund (DDF) contributions which gets a 100% uplift by TRF. Qualifying projects will also attract a Preventable Blindness Donor Advised Fund.(DAF) contribution worth up to \$3,000. – see our [worked example](#) or our simplified '[Novices Guide to Matching Grants](#)'

ROI is actively promoting this opportunity with host Clubs & Districts across the globe through a range of Rotarian based list-servers and bulletin boards. Demand for funds to undertake cataract & other eye-care surgery exceeds donations currently received.

Where a matching grant project (MBH MG) is shown in the right hand column this indicates that donors and hosts Clubs are in the process of being matched. For details of approved matching grant projects, and others being negotiated please see below

Please contact stephen@roisight.org for further information
